WHAT TO EXPECT

Feel Confident At Home

Here at Talk Time Boston, we believe that parents and children shouldn't feel lost or unsure about communication development and communication progress. Designed for parents of all children (neurotypical & neurodiverse), our Parent Modules will educate and empower you to feel confident about communicating.

VIDEO LEARNING

Five weekly modules divided into short videos that cover language acquisition, developmental expectations, video examples, parent strategies, and more.

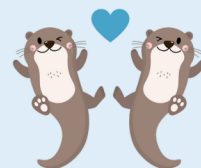

- ☐ Learn at a time that is convenient for you and have time to process new information before weekly discussions
- ☐ Filled with information and real video examples!
- ☐ Learn directly from SLPs who are passionate about educating & empowering parents about communication

PRIVATE GROUP

When the module begins, you will get access to the private facebook group where you can interact with Talk Time SLPs and other parents in your course!

- ☐ Ask questions about module videos.
- ☐ Build relationships with other parents.
- ☐ Weekly check-ins to support your child's communication

COFFEE CHATS

Five weekly virtual coffee chats to discuss the videos, answer questions, and support your family in a small group setting

- ☐ Informal, casual setting -- show up in your pajamas or play with your kid in the background
- ☐ Bring questions with you or send them ahead of time on the facebook group post
- ☐ Discuss real ways to integrate these strategies and supports into your daily life

HANDOUTS

- ☐ We provide detailed handouts for each week's module containing all the information you are being taught
- ☐ With lots of beautiful infographics and plenty of otters, these handouts will make you WANT to reread!
- ☐ Easy to print and save for after the course is over. Sure, hang them on your fridge. We don't mind!
